RAPID REHOUSING: BRILLIANT CORNERS & CHRYSALIS

Brilliant Corners is the prime contractor for LA County's Rapid Rehousing program. Chrysalis partners with them to provide joint housing/employment case management services. Rapid rehousing is an intervention designed to help individuals and families quickly exit homelessness and return to permanent housing. Rapid rehousing assistance is time limited and is offered without preconditions - like employment, income, absence of criminal record, or sobriety - and the resources and services provided are tailored to the unique needs of the household.

Special Guests: Bill Pickle & Danielle Wildkress, Brilliant Corners

DEPARTMENT OF MENTAL HEALTH

The Los Angeles County Department of Mental Health (DMH), with a budget of approximately \$2.4 billion, is the largest county-operated mental health department in the United States, directly operating programs in more than 85 sites, and providing services through contract programs. DMH provides staff at approximately 300 sites co-located with other County departments, schools, courts and various organizations. Each year, the County contracts with close to 1,000 organizations and individual practitioners to provide a variety of mental health-related services. On average, more than 250,000 County residents of all ages are served every year. DMH's mission is to optimize the hope, well being and life trajectory of Los Angeles County's most vulnerable through access to care and resources that promote not only independence and personal recovery but also connectedness and community reintegration.
